Saie Selection'10: the winners

Archi-Europe has the pleasure of announcing the Winners of the Saie Selection'10 contest after the deliberation meeting of the Jury that took place in Bologna on 8 October 2010.

This edition of Saie Selection has been a huge success: **Archi-Europe received over 220 projects** coming from 36 countries. (Austria, Bangladesh, Belgium, Bosnia, Bulgaria, Denmark, Czech Republic, Egypt, France, Georgia, Germany, Greece, India, Ireland, Israel, Italy, Japan, Malaysia, Morocco, Mexico, Norway, Netherlands, Poland, Portugal, Qatar, Romania, Russia, Serbia, Slovenia, Spain, Sweden, Switzerland, Tunisia, Turkey, Ukraine, United Kingdom)

The winning Architect for each specialty will be invited to a special seminar organized in Bologna. This seminar will take place on the 30 of October during the Saie exhibition.

The winning Students for each specialty and the 2 second ex-aequo will be invited for a seminar that will be directed by architect Mario Cucinella.

This seminar will take place from 26 to 30 October during the Saie exhibition.
