archi-world academy

INTERNATIONAL COMPETITION FOR STUDENTS IN ARCHITECTURE

PRESS RELEASE MARCH 2012

Archi-World® Academy
"Energy saving projects and ideas for the future of architecture and urbanism"

The largest worldwide contest for the architects of tomorrow in cooperation with Messe München (BAU, the world's leading fair for Architecture, Materials, Systems)

****

ArchiWorld (www.archiworld.eu), worldwide network for architects counting today over 200.000 architect members and **Messe München** are currently fostering **the first Archi-World® Academy Award open to students in architecture worldwide**.

This contest involves:

- **1.200 schools of architecture around the world**
- **300.000 students in architecture**
- **150.000 new graduated architects**
- **Our network of 200.000 architect members**

and is supported by 12 renowned Star Architects who accepted to host one winning student for a 6 months traineeship in their office!
